

# Musical 'Success for Every Child'

The KJS music department welcomes you to get involved with music and would like to inform you of all the wonderful opportunities available for the Students.

The Music Department has a **limited stock** of orchestral instruments for hire. We will be delighted if students take advantage of this wonderful opportunity to learn an instrument. Therefore, we would like to offer the first term's **free hire**, worth \$200, if students start to take lessons in this school year. The charge for rental is for repairs and maintenance of the equipment and parents should be aware that it is the responsibility of the student and parents to take care of the Instrument provided. If you would like to take advantage of a term's free hire please email [steve.davenport@kjs.edu.hk](mailto:steve.davenport@kjs.edu.hk) before the 8th September. The students can, in time, join the extensive ensemble music activities provided by Kowloon Junior School.

Instrumental tuition helps students in numerous ways. Here are a couple of links you may wish to explore. <http://musiced.about.com/od/beginnersguide/a/pinst.htm>

### **Chinese Music**

A Chinese Music Ensemble will be established on Wednesdays after School. This will provide an opportunity for the children to learn a Chinese instrument in a group from scratch. It will be led by Mr Davenport and supported by some experienced tutors. The class will help develop an appreciation of Chinese Music Language and Culture. The instruments for this activity are **hired free of charge** to encourage students participation (smaller instruments can be sent home). The cost is very reasonable at the rate of **\$960 dollars for 12 one hour sessions with Tutors**. This is an excellent opportunity to experience the wonders of world music, get to grips with musical instrumental playing and experience different language environments including English, Mandarin and Cantonese. The workshop will be supported by the tutor Mr Sunny Yuen. **Please email Mr Davenport on [steve.davenport@kjs.edu.hk](mailto:steve.davenport@kjs.edu.hk) if you wish to participate in this club.**
