NOTICE TO PARENTS OF CHILDREN IN YEAR 2

Dear Parents

Payment for school trips and events – Term 3, 2015/2016

In order to simplify the collection of monies for school trips and events, we prepare a termly charge for each year group. This means that, rather than sending several cheques for small amounts during the term, parents will need to issue only one cheque to cover the whole term. Parents will still be informed of the exact details of all trips but will not be required to send in individual cheques.

Due to the surplus from the first and second terms, Y2 students **do not need** to pay a term payment to cover the activities below that are planned in 3rd term.

Trip to History Museum
End of Year Party

Yours sincerely
